Information [\[edit | edit source \]](#)

Germany is a vibrant country with a rich history and heritage. As with many countries of Europe, Germany has seen dramatic changes to its borders and even its internal regions. Over the centuries, Germany consisted of numerous independent kingdoms, duchies, principalities, and states. Then in 1871, all German-speaking states except the Austrian states were incorporated into the German Empire. ^[1]

Useful Search Tricks

Wildcards

Wildcards can be used to find people with abbreviated, mis-indexed, misspelled, or nicknames:

- Use the question mark **?** to replace a single letter such as Eli**?**abeth
- Use the asterisk ***** to search for multiple letters. On FamilySearch you only need **one** letter then the asterisk.
- You can use a combination of the two such as: T**?**r***** **or** Joh*****s**?**n.
