# Do you have records—documents, photographs, videos—that help tell the history of The Church of Jesus Christ of Latter-day Saints?

Are you looking for a safe and permanent home for your records where they can help researchers from around the world? The Church History Department selectively acquires and preserves records that document the history of the Church.

## Preferred records include first person accounts of significant Church events:

- Journals, correspondence, recordings, photographs, etc.
- Ward, stake, and mission histories, minutes, and newsletters

To speak with a Church History Department acquisitions specialist, call 1-801-240-5696 or submit an inquiry at [DonateHistory.ChurchofJesusChrist.org](https://DonateHistory.ChurchofJesusChrist.org)
